

Offer 381720

BOBST EXPERTCUT 106 PER from 2013

Die Cutter (Flatbed)

Offer Details

Offer Number:	381720
Brand:	BOBST
Model:	Expertcut 106 PER
Manufacturer	BOBST
Condition:	Good
Year:	2013
Incoterm:	
Cylinders Condition:	
Under Power:	Yes
Still in production:	Yes
Test possible:	Yes
Complete and in working condition:	Yes
Availability:	
Counter:	
Machine number:	
Description:	<p>engineered for demanding commercial packaging and folding carton production. <>This machine is fully equipped with premium Bobst automation and productivity features, making it an ideal solution if you are seeking speed, precision, and fast job changeovers.<>This Bobst EXPERTCUT 106-PER 2. die cutting system is outfitted with the Smart Feeder II for reliable high-speed sheet handling and the Power Register II system, delivering exceptional registration accuracy across a wide range of substrates. The CUBE 3 control package with touchscreen interface provides intuitive machine control, advanced diagnostics, and rapid setup optimization.<>The machine includes a Bernoulli braking system for smooth sheet transport and damage-free deceleration, paired with a full sheet delivery system designed for consistent stacking at high production speeds. The K&Z logistics in-feed ensures efficient material flow and dependable feeding performance.<>In the stripping section, the machine features a central frame with quick locking, integrated quick-lock, dynamic upper frame</p>

locking, and adjustable tool centering, allowing for fast make-readies, repeatable setups, and precise stripping results. The included Productivity Plus Pack enhances throughput, reduces downtime, and supports high-volume carton production environments. Also included at no additional cost, complete tooling, enabling immediate setup for full die cutting jobs with stripping and blanking. A chase changer further streamlines job changeovers, maximizing uptime and operational efficiency. Stripping station Blanking station

Technical details

Max. size	760x1060 mm
Min. size	350x400 mm
Max. speed	9.000 s/h.
Max. die-cut size	746x1060 mm
HS Code	84439959 HS Codes Classification of Other
