Offer 356984

HONGJING JC-850PCW-H from 2016

Folding Box Gluing + Erecting Machines

Offer Details

Offer Number	356984
Brand	HONGJING
Model	JC-850PCW-H
Manufacturer	HONGJING
Condition	Good
Year	2016
Incoterm	EX Works
Cylinders Condition	
Under Power	Yes
Still in production	Yes
Test possible	Yes
Complete and in working condition	Yes
Availability	04/2022
Counter	
Machine number	

Description	High speed fully automatic folder gluer Machine Humanised design attachment installation, easy operation and fast Special equipped with paper regulator device Special first folding line ,third folding line pre-fold 180 Sectional-type hook device Touch screen control plane High speed electric kick board counter Collecting unit cylinder control pressure type pressing system Remote control convenience for operators to remote control the start and stop of machine -Feeder unit Independent motor driving system Synchronized feeding with main motor Equipped with vibrating sheet separation system -Paper regulation Auto-correction of paper/sheets from the Feeder ensures feeding accuracy Adjustable press drive fit for various thickness of paper/sheets -Pre-Folding Specific design ensures 180 degree on 1st crease and 165 degree on 3rd crease 4/6 point glue system -Bottom-folding Equipped with bottom lock combination/adjustment, with ideally flexible design that ensure fast and easy operation Sectional belt feeder with special design, flexible and adjustable per product requirement without tightening or loosening the belt Electronic glue sprayer(require) -Folding 2nd crease 180 degrees,4th crease 180 degree Specifically designed to adjust belt feeding speed separately to correct box embryo running direction and ensure straight feeding -PRESSING Auto-collecting of paper/sheets and water spray by photoelectric counter Paper-jam inspection device Adjustable upper and lower belts for easy and simple operation - CONVEYOR Movable stacking belts of 2 boards on left and right, adjustable on-line per stacking requirement to improve efficiency Extra sponge belt for pressing of concave part of piled box Air-pressed easy adjustment to ensure even pressure of gluing Synchronised in proportion with main motor in automatic mode to improve stable stacking 4 + 6 point glue system

Technical details

Max sheet size	850x900 mm
Min sheet size	100x50 mm
Material	Cardboard, Corrugate F and E
Max speed	450m/min
Length	16800 mm
Width	1500 mm
Height	1450 mm
Power comsumption	18,5 Kw
Weight	6.000 kgs

PRICE: Upon request
